**Situation as of 1846 hrs on 2022-01-30**

**Event Overview:**

- **Convoys totalling approximately 2950 vehicles have arrived in the NCR. Unknown number of vehicles in the downtown core. Approximately 100 people reported at this time on Parliament Hill and approximately 100 people on Wellington St.**

**Operational Information:**

- OPP OSINT reported Facebook video of **Personal Info.** stating: “so we got multiple different organizations down here” pause “they’re blocking stuff off on us everywhere, they got the trucks jammed up all over the city.” “But don’t you worry...**come nighttime when these cops gotta sleep, that’s when we’re gonna move because they don’t got nothin’ like we got.** We got all the energy. We got love and light – we got Jesus baby.” “so we got multiple different organizations down here” pause “they’re blocking stuff off on us everywhere, they got the trucks jammed up all over the city.” When **Personal** refers to “they” it is believed that he means law enforcement. And when he uses ‘multiple organizations’ it is believed to means different police services. In a video posted yesterday **Personal** asks Durham PS officers who are wearing red hats where they are from and uses similar terms referring to “different units”. Shortly, **Personal** states that he has a lot of people out doing recognizance at night while he **Personal** remains with **Personal**. When he makes these statements he says he is “away from where the big party is” and that he is going to do his thing by remaining positive. **Personal** says “Monday is the big day, we all go to work – when does everyone work? Monday.”
- GIG OSINT located a 6minutes video to the Facebook page **Personal Info.** (posted: 28 min ago.) Appears to be walking around downtown. Shows trucks blocking roads and fireworks going off in background.<sup>[iii]</sup>
  - o **Apologizes for not being on all day, says he has been running logistics coordinating fuel and food.**
  - o **Says he is heading to a meeting in the ‘War Room’ to start working with officers on getting these trucks moving.**
  - o Complains that he has to walk 17 min to the meeting because he can’t get a cab.

- Has a guy going around with flip tanks and fuel in between the units getting everyone fuelled up and bringing meals.
- **Says he couldn't partake in things today but tomorrow he will be.**
- Has truckers coming to his room, using his showers.
- **'We are not moving, we are not leaving, we need to coordinate.'**
- Trying to be polite and nice and working with everybody.
- **'Ottawa Police aren't working with us too good'**
- 'I'm dishing out money like crazy, helping people with fuel and food, buying burgers for the guys'
- **'We are getting low but that's what this meeting is going to be about'**
- **'Rumour has it they have released a bunch of funds from the Go Fund Me'**
- **'We are not done, we are just getting started'.**
- Moving down backstreets.
- Passer by says they lined up a golf cart for him to help him get around.
- Everything has been peaceful, says don't believe the media.
- Ends video, says he is at the meeting and doesn't want to give away location.

#### **Operational Planning:**

- Nil updates at this time.

#### **Protective Clients and Protective Sites:**

- Planning continues, in close collaboration with all partners, in order to identify ingress/egress routes in support of the resumption of Parliament tomorrow. An operational briefing was held with senior representatives from all partners.

#### **Communications:**

- Alternative journalist [Personal Info.] broadcasted an online press conference hosted by the Convoy organizers from an undisclosed location in Ottawa earlier this afternoon.
- OPS and PPS received a media request from a freelance reporter regarding the resumption of Parliament tomorrow and if authorities are ensuring that Parliament can resume with enhanced security measures and possibly clearing out Wellington St., as well as whether or not OPS believe it will be safe for MP's to return. A general response was provided by OPS stating that they are working in close collaboration with all policing partners and referred to the appropriate government entities. PPS is working on messaging in anticipation of the House resuming, which will be shared once available.
